

HARDING TO GET NEW YORK HEAVY

Calder Predicts Nominee Stat. by Majority of 250,000.

HARMONY PROMOTED

Nominee Devotes Time to Mustering Strength for G. O. P. Ticket This Year.

WASHINGTON, July 1.—New York will give Harding a plurality of 250,000, Senator William M. Calder declared today after a short conference with Senator Harding.

The New York senator commented with enthusiastic satisfaction on the rapidly growing strength of the republican ticket and its popularity with the voters.

Senator Harding has been devoting his efforts almost exclusively since the nomination to the harmonizing of the republican party and the drawing of support to the ticket from every faction that is against the present democratic administration.

Continuing these efforts today, he wrote many letters to republican leaders, seeking by personal conference or other means to get from them their views and advice as to issues before the country. He spent the day at his desk, getting it only to meet such callers as came without appointment to consult with him. This work will go on after the senator reaches Marion, Ohio, next Monday.

Congressman Simeon D. Fess of Ohio, chairman of the house committee which looks after campaign work in the interest of republican candidates for election to the house, stated today that following conferences with National Chairman Will Hays, plans were being perfected by his committee for closest co-operation with the work of the national committee in order to avoid duplication of efforts, cover the broadest possible field and secure the maximum results.

Chairman Hays expressed his delight with the spirit of co-ordination and co-operation he is finding everywhere. Hays will be in New York until tomorrow night when he will go to Chicago for two weeks. During that time he will organize the national committee staff at the Chicago headquarters.

BANDIT CHIEF IS KILLED

Marine Lieutenant and Corporal Are Decorated for Bravery.

WASHINGTON, July 1.—The congressional medal of honor was conferred today on Lieut. Herman H. Mannekan and Corporal William H. Button, both of the marine corps, for "extraordinary heroism" displayed in leading the force which killed the Haitian bandit chief, Charlemagne Peralte, near Grand River, Haiti, last October.

The two officers, disguised as natives, led a small detachment of gendarmes through a series of outposts stationed to protect the bandit and finally reached his headquarters. A heavy fight ensued with the chief's bodyguard. Next morning after the detachment had driven off attacks by several hundred of Peralte's followers during the night, the bandit chief and nine of his bodyguard were found dead.

Attorney in Chicago Wants \$300,000 for Legal Services.

CHICAGO, July 1.—A suit to recover \$300,000 from John F. Jelke, head of an oleomargarine manufacturing company for legal services alleged to have been rendered him during his trial on charges of defrauding the government out of \$250,000 of taxes upon oleomargarine, was filed in the United States district court today by Ferdinand Jelke, Jr., a brother.

The plaintiff alleges he spent 10 years working for his brother in the case and he valued his services at \$30,000 a year.

Jelke was found guilty by a jury and sentenced to two years in the penitentiary. President Wilson gave Jelke an unconditional pardon.

Born the sign up right away and start using the Wants.

ALL ARE BLINDS TO AID M'ADOO

Gerard and McAdoo Are Charged With Making Admissions.

CHICAGO, July 1.—That James W. Gerard made the admission while en route to the San Francisco convention that his candidacy for the democratic nomination was "merely a blind for the crown prince," and that Secretary E. T. Meredith, riding on the same train, admitted that "the same was true of the rest of the candidates," was the charge made here today by Francis J. Finerman, a delegate from Boston and president of the democratic club of Massachusetts.

Mr. Finerman was called home because of the serious illness of his son.

The San Francisco convention, packed with federal office holders, undoubtedly will nominate McAdoo, said Mr. Finerman, "but when that happens up before, there will be a split on the floor, resulting probably in re-nomination with the Johnson-rough forces in the formation of a third party."

"Practically every candidate nominated is merely a blind for the 'crown prince' Gerard who rode on the train with us admitted that was all he was. Meredith, who also rode with us, admitted the same was true of them all."
